

**Custom Design Options**

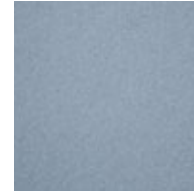

Push the limitless design flexibility of Workstation and take your ideas to the next level. Using our specialised custom cutting and printing services with Workstation, you can immortalise your design or logo and create unique brand awareness.

Ask your Autex Account Manager for more information and inspiration on custom cutting or printing or visit our website.

This colour guide is intended as a digital representation only. Slight variations in colour may be experienced due to the nature of the manufacturing process. Please contact your Autex Account Manager to request product samples.
